## Chapter 1 by SaintSayaka

You are the last pharaoh of Egypt. After you, the kingdom will fall. Your culture will be desecrated. Your wives will be raped.

With that knowledge, you utter your dying wish. "When you...put me in my pyramid...bury me...with my waifus."

Death is swift and kind to you.

## Chapter 2 by Phantim

You are the last Maratha Sultan of India. After you die your kingdom will fall to the Muslims and the British. Your culture will be desecrated. Your wives will be raped.

With that knowledge, you utter your dying wish. "When I die, make sure my wives are burned alive on my funeral pyre. The Sati must be preserved."

Death is swift and kind to you. Your wives, not so much.

Chapter 3 by SaintSayaka

You are the last elf of the order, A. All fall to your eldest son. Your culture will continue to thrive. You go to your son by nature (ew).

With that knowledge you utter your dying wish. "Wait, what is this nerd shit?"

Death is swift and kind to you...but your elf eyes can no longer see anything. Tolkien rolls in his grave.

#### Chapter 4 by Phantim

Tolkien cannot stand it. His arm bursts from his casket. He digs his way through the cold earth until he arises into the cool morning air. He looks down at his rotting limbs and then to the sky... /I will find Saint Sayaka, I will be her doom/...

#### Chapter 5 by Dan\_K

You are the last sober guy at a party. After you, the entire party will delve into chaos and illegal things will be rampant. Your New Year's Resolution to be sober for the year will be ruined. Your girlfriend will be kissing a random stranger.

With that knowledge, you utter your last sober words of that day, "LET'S GET THIS PARTY STARTED!"

Drunkenness is swift and kind to you. You wake up the next day in a dumpster three miles away.

#### Chapter 6 by Brock Thompson

You are the last human on planet Earth. After you, the aliens will take over everything. All life will be killed. Many animals will be (scientifically) raped.

With that knowledge, you utter you last, dying words. "Your kind has not won, for the last human has died in freedom and of his own will."

Death is swift and kind to you, as you did throw yourself the Empire State Building. The humans were the only Earth species not to be raped.

#### Chapter 7 by Cat4055

You are the last animal on Earth. You are the last animal on Earth, who didn't? Once you die, you will be the last animal on Earth, and swallow it whole. Many insects will be

With this knowledge your last dying words are "This proves that even the sun likes."

Death takes hours, but you didn't feel anything, just laid there and waited for the inevitable end.

### Chapter 8 by LethalPianist

You are the last writer of this story. After you leave will be nothing.

You see death coming. Your kingdom will cease to exist. Your wives will be raped by an existential crises.

Death is swift and kind to you. With your dying grasp, you yell out...
